

Richmond DPU: City Improvement Projects

Job: Three Chopt Road Drainage Improvement Project

Location: Three Chopt Road, Boatwright Drive, and Honaker Avenue

Project Introduction

This project was completed to remedy drainage issues near the intersection of Three Chopt Road and Boatwright Drive.

The scope of this project was limited to the existing right of way areas and included improvements to the storm sewer system and the addition of another culvert under Three Chopt Road.

Reported concerns informing this project included damaged inlets and pipes within the storm sewer system, and roadway runoff draining in an uncontrolled manner onto adjacent properties on the east side of Three Chopt Road.

Project Schedule

Project Assignment: August 2019 (A. Morton Thomas & Associates)

Survey & Preliminary Design: December 2019

Engineering Design: June 2020

Construction Assignment: Completed October 2020
