

Richmond DPU: City Improvement Projects

Job: Cavalier Court Drainage Improvement Project

Location: Calvert Drive and Cavalier Court between Effingham Drive and Yorkshire Drive

Project Introduction

This project will address standing water within ditches and a failing outfall culvert. Issues identified include a lack of drainage throughout the area and drainage issues within adjacent channels and the overall outfall channel.

The proposed improvements, highlighted in the figure below, include:

- The replacement of the existing failing culvert at Cavalier Court
- Ditch improvements along Cavalier Court and Yorkshire Drive for better drainage
- Potential drainage improvements to the adjacent channel at the outfall of an existing culvert under Rosemont Road
- Potential drainage improvements and grading of the outfall channel to the north of Cavalier Drive between Effingham Drive and Circlewood Drive

Project Schedule

Project Assignment: August 2019 (RK&K)

Survey & Preliminary Design: Completed

Engineering Design: 2019 through 2023 (RK&K)

Construction Assignment: To Be Determined

WHAT HAPPENS NEXT:

Easements:

Temporary and permanent easements will be necessary for this project to be constructed.

Coordination with affected property owners has begun and is expected to be completed in 2022.

Project Duration:

Private utility relocation will occur before construction begins.

Before construction begins, a letter will be sent to adjacent property owners to notify the neighborhood of the construction start date.
