

# Richmond DPU: City Improvement Projects

**Job:** Westtower Drive and Whitlone Drive Drainage Improvements Project

**Location:** Cedarhurst, between Bliley Road and Blakemore Road

## Project Introduction

This project will provide upgrades to the existing stormwater conveyance system by providing new drop inlets, manholes, approximately 1,400 linear feet of new storm pipe, and ditches to alleviate flooding that occurs during and after heavy rain events. The Westtower Drive and Whitlone Drive Drainage Improvements Project will improve flow within the drainage channels and also relocates and establishes easements necessary for future maintenance.

The project area is illustrated within the figure below.

## Project Schedule

**Project Assignment:** Completed

**Survey & Preliminary Design:** Completed

**Engineering Design:** Completed (Timmons Group)

**Construction Assignment:** Construction Anticipated January 2023 (Estimated Length: 5 Months)

# WHAT HAPPENS NEXT:

## Easements:

All necessary easements have been acquired for the project.

## Project Duration:

The project design and permit acquisition is complete.

Construction is anticipated to start in January of 2023 and is anticipated to last approximately five (5) months.

Construction equipment and traffic will be in the neighborhood daily and periodic road closures can be expected as part of the Westover Drive and Whitlone Drive Drainage Improvements Project.

We apologize for the inconvenience and greatly appreciate your patience as these important improvements are made.
