

Richmond DPU: City Improvement Projects

Job: Silverwood Drive Drainage Improvement Project

Location: Silverwood Drive and Sweetwood Drive

Project Introduction

This drainage improvement project reduces the frequency and severity of roadway flooding, backyard ponding, and maintenance costs incurred by the City of Richmond when cleaning the drainage system by increasing drainage capacity and reducing clogs.

The improvements occurred primarily on Silverwood Drive and Sweetwood Drive from Hull Street Road to Brittwood Drive.

Construction was completed in August of 2023.

Project Schedule

Project Assignment: September 2019 (Woolpert)

Survey & Preliminary Design: Completed February 2020 (Woolpert)

Engineering Design: Completed Fall 2020 to Spring 2022 (Woolpert)

Construction Assignment: Completed March 2023 through August 2023 (PB Chenault)
