

# Richmond DPU: City Improvement Projects

**Job:** Cavalier Court Drainage Improvement Project

**Location:** Calvert Drive and Cavalier Circle between Effingham Drive and Yorkshire Drive

## Project Introduction

The Cavalier Court Drainage Improvement Project addressed inadequate drainage throughout the project area, including standing water in ditches and a failing and undersized outfall culvert.

The project's improvements facilitate better drainage throughout the neighborhood. Infrastructure upgrades include the replacement of the undersized culvert at Cavalier Circle; ditch improvements along Cavalier Circle, Calvert Drive, Yorkshire Drive, Queen Anne Drive, and in the easement to the north of Red Oak Lane; and grading and drainage improvements to the outfall channel to the north of Cavalier Circle between Effingham Drive and Circlewood Drive.

Construction was completed in September of 2024.

## Project Schedule

**Project Assignment:** August 2019 (RK&K)

**Survey & Preliminary Design:** Completed

**Engineering Design:** January 2020 through April 2023 (RK&K)

**Construction Assignment:** Completed November 2023 through September 2024 (PB Chenault)
