

Richmond DPU: City Improvement Projects

Job: Willow Oaks Drainage Improvement Project

Location: Skipton Road and Westchester Road

Project Introduction

The Willow Oaks Drainage Improvement Project helped to mitigate flooding, address ponding water, and improve drainage along Skipton Road and Westchester Road by replacing open ditches and culverts that were inadequately sized.

Project improvements involved grading for positive drainage and the installation of storm drain inlets and buried stormwater pipes and infrastructure along Skipton Road and Westchester Road.

Construction was completed in October of 2024.

Project Schedule

Project Assignment: Timmons Group

Survey & Preliminary Design: Completed (Timmons Group)

Engineering Design: Completed (Timmons Group)

Construction Assignment: Completed October 2023 through October 2024 (Tidewater Utility Construction Inc.)
