

Richmond DPU: City Improvement Projects

Job: North 9th Street Emergency Repairs

Location: 6th City Council District

Project Introduction

This project will repair stormwater infrastructure on North 9th Street near East Byrd Street to the north of the Manchester Bridge. The construction area is outlined in red on the graphic below.

Construction began on Monday, October 27th of 2025 and is expected to be completed within six weeks, weather permitting.

The far right lane between the Manchester Bridge and East Byrd Street will be closed throughout the duration of these emergency repairs. The right turn onto East Byrd Street will remain accessible. Temporary traffic control signs are in place to direct drivers, traffic, and cyclists accordingly.

Project Schedule

Project Assignment: Department of Public Utilities - Stormwater Utility

Survey & Preliminary Design: N/A

Engineering Design: N/A

Construction Assignment: Construction Started October 27th of 2025 (TUCI)

WHAT HAPPENS NEXT:

Project Duration:

These emergency repairs to address stormwater infrastructure will be completed by our contractor Tidewater Utility Construction, Inc. (TUCI).

Construction began on Monday, October 27th of 2025.

Construction activity can be expected to occur between 9:00 am and 5:00 pm from Monday through Friday each week.

Construction is expected to last approximately six (6) weeks, weather permitting.

The far right lane between the Manchester Bridge and East Byrd Street will be closed throughout the duration of this emergency project.

The right turn onto East Byrd Street will remain accessible.

Temporary traffic control signs are in place to direct drivers, traffic, and cyclists accordingly.

Construction vehicles can be expected in the project area during construction work hours.

This flyer will also be updated with additional information as the project progresses.

We greatly appreciate your patience and cooperation as these important repairs are made.

Project Benefits:

This project will improve public safety, the roadway, and drainage by repairing stormwater infrastructure along North 9th Street.
