

Richmond DPU: City Improvement Projects

Job: Tiber Lane Emergency Repairs

Location: 1st City Council District

Project Introduction

This project will repair stormwater infrastructure near the intersection of Tiber Lane and Wesley Road. The construction area is outlined in orange on the graphic below.

Construction began on Tuesday, March 3rd of 2026. Construction is expected to be complete by the end of March, weather permitting.

All work associated with these repairs will occur on Tiber Lane. Minor traffic impacts, including a single lane closure, can be expected during construction hours. Temporary traffic control signs will be in place to direct drivers accordingly. Construction activity can be expected to occur between 9:00 am and 5:00 pm from Monday through Friday each week.

WHAT HAPPENS NEXT:

Project Duration:

These emergency repairs to address stormwater infrastructure will be completed by our contractor PB Chenault.

Construction began on Tuesday, March 3rd of 2026.

Construction activity can be expected to occur between 9:00 am and 5:00 pm from Monday through Friday each week.

Construction is expected to be complete by the end of March, weather permitting.

An occasional temporary single lane closure on Tiber Lane can be expected as part of these emergency repairs during construction hours.

Temporary traffic control signs will be in place to direct drivers and traffic accordingly.

Construction vehicles can be expected in the project area during construction work hours.

This flyer will be updated with additional information as the project progresses.

We greatly appreciate your patience as these important repairs are made.

Project Benefits:

This project will improve public safety by repairing stormwater infrastructure along Tiber Lane.
